

In our most recent PTO meeting we discussed the dwindling numbers of interested parents being involved. It seems that as of yet there are not ANY nominations been put forth for elections coming in only a few weeks for next years leadership. PLEASE submit your name to Meg ASAP if you are interested in helping next year with the PTO Board.

Our main topic of discussion was what the PTO would/could do for the upcoming PTO fun day on April 18th. We thought if the weather was nice it would be great to get outdoors for a bit and enjoy it. We also discussed having a 4-H course that does Lego-robotics as was recently advertised in the Herald Journal. We found a story teller that we've considered to come and entertain. And we discussed some sort of food, and games for those who are wanting that. We also thought about doing the games like DDR and GH3 and playing on the wii consule etc. IN the end it was suggested by Mr Hernandez that we check out the Sports Academy and see if they will offer us some group activities over there. Meg J contacted them and they have approved, but we are still awaiting their "rulings". Ted was looking into the Rock Haus to see what arrangements we might make with them. We will NEED plenty of parents to assist in this as there will be NO teachers chaperoning. So if we have a walleyball activity and a swimming activity and a basketball and rock climbing activity, we will need parental supervision in EACH area. PLEASE let us know if you are available. It will be from 12:30 til dismissal at 2:30.

Next meeting will be Wednesday the 16th at 3pm. PLEASE show your support by attending. Thank you.
