February—March 2011

Upcoming ACT Testing

On Tuesday, March 1st all InTech Collegiate 9th, 10th and 11th grade students will be taking the ACT or ACT Prep Tests. This is a wonderful opportunity for students to take the ACT or an ACT preparatory exam for free. Due to requirements of the test, some changes to our schedule will be necessary:

- 1) **School will start an hour early (8AM) on Tuesday March 1st and will release between 12:00 and 12:30PM.**
- 2) **Seniors will not have school on Tuesday March 1st.**

Opportunities for Parent Feedback

InTech Collegiate values feedback from its parents, students, and partners; and each year, prioritizes changes to our program based on this feedback.

In conjunction with Parent/Teacher/Student Conferences, parents will have two formal opportunities to provide anonymous feedback about how InTech Collegiate is doing and suggest what should be the next areas of focus for our continuous improvement: 1) **Indicators of School Quality Survey (ISQ)** and 2) **Counseling Needs Assessment**.

These surveys will be delivered to you with the materials for PTSC (or will be mailed to parents who are unable to attend).

We appreciate parents taking the time to complete these surveys! As always, please know that your feedback is welcome at any time and the principal (or individual teachers) would be happy to meet with you.
