For students still wishing to enroll, there is ongoing registration for sophomores and a waiting list for freshmen.

Message from the Principal

Greetings students and parents! We are about to become educational pioneers. This trip we are about to embark on will be very exhilarating. The Early College High School will be very unique and provide every child with the tools necessary to become successful in college. During the first year we will be engaged in many activities ranging from building the unique school culture to learning how to learn. We had teachers apply for our positions from all over the country. I look forward to meeting them personally and working with them. We will

bring you the best educational product you have ever experienced. Thank you so much for placing your trust in this group of wonderful people.

--Steve Zsiray,
Principal/CEO

Dr. Stephen W. Zsiray

Steve's Favorite Quote:
"And as my mind begins to spread its wings, there is no stopping curiosity."
--Jack Johnson

USU Innovation Campus

The Innovation Campus combines the experience of university, business, industry, and government to create a stimulating environment. It is home to more than 40 research and development companies, USU department units, and government agencies.

The Early College High School will be located in Building 1787 at the USU

Innovation Campus. The Innovation Campus will assist in providing an environment where:

- Students will have interaction with the business world, including community members, industry, government businesses and researchers, and USU faculty and students.

- Students will be challenged to explore real-world issues through the curriculum of the school and the environment of the Innovation Campus.
- Students will have the opportunity of job-shadowing with business partners at the Innovation Campus.
- Students will have many challenges and opportunities presented to them both inside and outside the classroom.

Where: Calibration & Optical Laboratory Auditorium
489 East 1650 North Research Parkway
Parking: West of building, south end

We encourage all students and parents to attend to give their input!

Meet Megan Izatt, Secretary

If you have ever called for information about the Early College High School, you have probably spoken with Megan Izatt. Megan has been the personal secretary of Principal Steve Zsiray since December 2003 and will soon be the general secretary at ECHS.

Megan Izatt, formerly Megan Williamson, grew up in Wellsville, Utah, just fifteen minutes away from the USU Innovation Campus. She graduated from Mountain Crest High School in 2004 and is now pursuing a Bachelor's degree at Utah State

University in History Education with a minor in Theatre. She enjoys reading, playing soccer, participating in theatrical events, and ballroom dancing. Among her favorite literary and theatrical works are the novel *Ella Enchanted* by Gail Carson Levine, and the film *Ever After*.

Her secretarial duties at the Early College High School include paying the bills, keeping student information up-to-date, and the various other tasks needed to open a new high school.

Megan's Favorite Quote:

"Give me a place to stand, and I'll move the world."

--Archimedes
